

GROUP OF PETROLEUM COMPANIES

YOUR TUST, OUR ENERGY

WWW.FOGROSA.COM

WELCOME TO THE WORLD OF FOGROSA™

A leading group of petroleum companies committed to ensuring reliable fuel deliveries to the farthest corners of the globe. We specialize in delivering various types of fuel to countries in the Middle East, Africa, South America, Southeast Asia, Europe, and beyond.

Our extensive expertise in global supply chains guarantees the highest standards of reliability and quality. Beyond merely providing fuel, we offer you a wide range of tolling services, ensuring flexibility and efficiency in your business operations.

FOGROSA's experience in the oil industry encompasses all aspects, from the supply of raw materials – light and heavy crude oil, various blends – to our outstanding technological solutions. We take pride in being a dependable partner for the successful development of your business, regardless of your location. FOGROSA™ is your pathway to global success in the oil industry.

FUELLING SUCCESS ACROSS THE GLOBE

At FOGROSA, our commitment to excellence extends beyond oil refining, encompassing a global presence in fuel supply. As a consortium of leading oil companies, we take pride in delivering a diverse range of high-quality fuels to destinations worldwide, ensuring reliability, efficiency, and sustainability.

GLOBAL FUEL PORTFOLIO: FROM JET FUEL TO MARINE DIESEL

Our extensive portfolio covers a spectrum of fuels tailored to meet the dynamic needs of diverse industries. From aviation to maritime, we supply top-tier jet fuels, marine diesel, and everything in between. FOGROSA stands as your one-stop solution for premium fuels, facilitating seamless operations across continents.

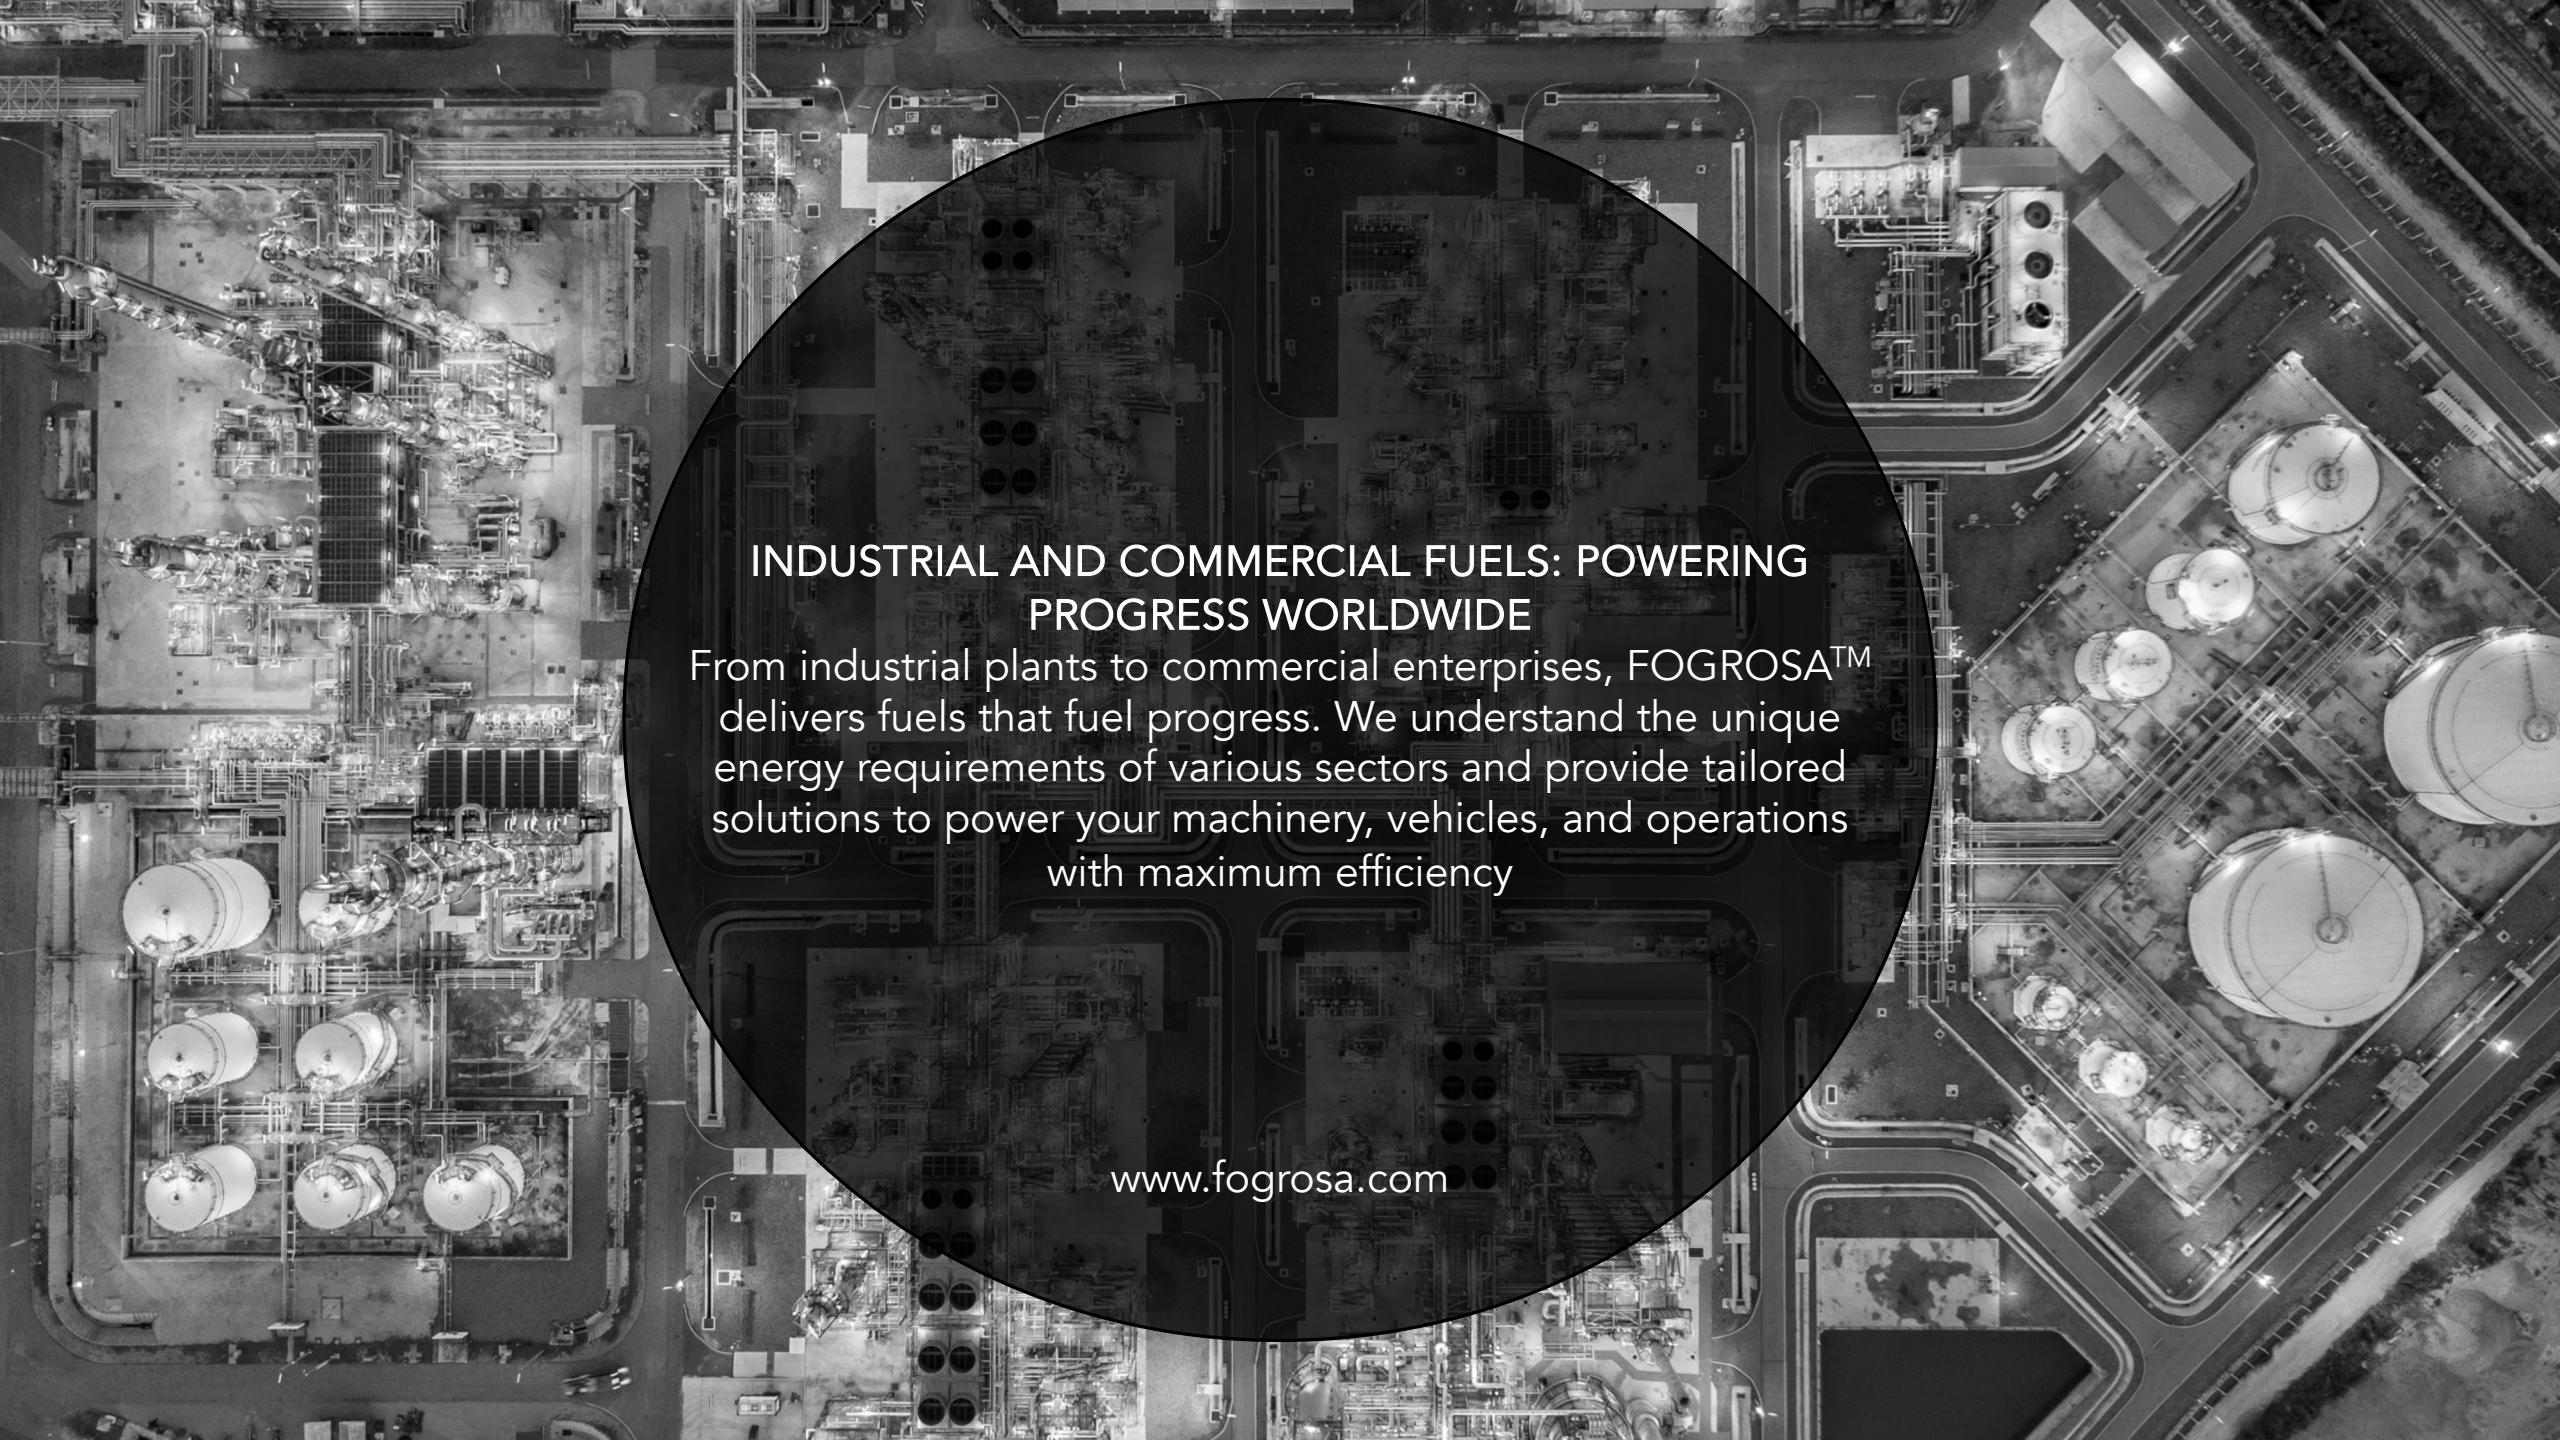

AVIATION FUELS: SOARING HIGH WITH QUALITY

Group of petroleum companies FOGROSA™ ensures a steady supply of aviation fuels, meeting stringent industry standards. Whether you operate a bustling international airport or a regional airfield, trust us to provide jet fuels that propel your aircraft to new heights with unmatched efficiency and reliability.

MARINE FUELS: NAVIGATING OCEANS OF POSSIBILITIES

Our commitment to the maritime industry is unwavering. FOGROSA supplies marine diesel fuels that power vessels across the globe. With a focus on quality and compliance, we contribute to the smooth sailing of your maritime operations, ensuring reliability in every nautical mile.

INDUSTRIAL AND COMMERCIAL FUELS: POWERING
PROGRESS WORLDWIDE

From industrial plants to commercial enterprises, FOGROSA™ delivers fuels that fuel progress. We understand the unique energy requirements of various sectors and provide tailored solutions to power your machinery, vehicles, and operations with maximum efficiency

GLOBAL REACH, LOCAL EXCELLENCE: OUR SUPPLY CHAIN ADVANTAGE

FOGROSA's global network ensures that our top-quality fuels reach you wherever you are. With a robust supply chain and logistics expertise, we navigate regulatory landscapes seamlessly, delivering excellence from refineries to your doorstep.

ENVIRONMENTAL RESPONSIBILITY: SUSTAINABLE FUELS FOR A SUSTAINABLE FUTURE

FOGROSA™ is committed to environmental stewardship. We offer eco-friendly fuel options, contributing to a greener future. Our sustainable fuels align with global initiatives for reducing carbon footprints, allowing you to make environmentally conscious choices without compromising performance.

Embark on a journey of reliable fuel supply with FOGROSA™. Explore our comprehensive range of fuels designed to power industries, connect continents, and drive progress. Contact us today to discuss how FOGROSA™ can be your trusted partner in meeting all your fuel requirements, ensuring success on a global scale.

COMPREHENSIVE SOLUTIONS FOR OPTIMAL PERFORMANCE

At FOGROSA™, we go beyond being a mere supplier; we are your comprehensive solution provider in the intricate world of oil refining. Our commitment extends beyond delivering raw materials, encompassing a suite of services meticulously designed to elevate your operational efficiency and ensure a consistent stream of top-tier resources.

DIVERSE CRUDE OPTIONS: PRECISION IN EVERY BLEND

Our specialization extends beyond supplying light and heavy crude; we take pride in offering a diverse array of blends tailored precisely to your specifications. With group of petroleum companies FOGROSA, expect nothing less than a commitment to excellence in the quality of raw materials, making us the preferred choice for all your production requirements.

ADAPTABLE TOLLING: YOUR PROCESS, YOUR WAY

FOGROSA™ stands out by providing adaptable tolling conditions, granting our partners the flexibility needed to fine-tune their production processes. We prioritize aligning with your technological needs, facilitating optimal resource utilization and ensuring the pinnacle of productivity in your operations.

PIONEERING TECHNOLOGY AND ENVIRONMENTAL STEWARDSHIP

In our pursuit of excellence, we integrate cutting-edge technologies into the fabric of oil refining, championing sustainable development and minimizing environmental impact. A partnership with FOGROSA™ is a commitment to embracing eco-conscious practices while ensuring the highest standards of efficiency in production.

ENDURING PARTNERSHIPS FOR SUSTAINED SUCCESS

At FOGROSA™, we cherish enduring relationships and uphold unwavering transparency throughout our collaboration journey. Consider us not just a supplier but a reliable partner, steadfastly dedicated to supporting your business and propelling your oil refining endeavors towards resounding success.

FOGROSA™ extends a warm invitation to oil refineries seeking collaboration. Beyond delivering top-notch raw materials, we stand ready to offer bespoke solutions tailored to elevate your production. Contact us today to initiate a conversation on how FOGROSA™ can be the catalyst for achieving new heights in your business.

OUR SPECIALIZED SERVICES SAFE AND SECURE TRANSPORT

Trust in our commitment to the safe and secure transportation of oil and petroleum products. We employ rigorous safety protocols and compliance measures to ensure the integrity of your cargo.

SPECIALIZED TANKER FLEET

Benefit from our diverse fleet of specialized tankers designed for the transportation of crude oil, refined products, and various petroleum derivatives. Our fleet is equipped to handle the specific needs of the oil and gas sector.

GLOBAL LOGISTICS NETWORK

Seamlessly navigate the complexities of global logistics with our extensive network. We connect you to major ports and destinations worldwide, facilitating smooth and efficient shipments.

CUSTOMIZED SOLUTIONS

Recognizing the diverse nature of oil and petroleum products, we provide tailored shipping solutions to accommodate your unique cargo specifications. Our team works closely with you to address specific challenges and requirements.

QUALITY ASSURANCE

Ensure the quality of your oil and petroleum products throughout the shipping process. Our quality assurance practices guarantee that your cargo reaches its destination in optimal condition.

COMPLIANCE AND REGULATIONS

Navigate international regulations and compliance seamlessly with our experienced team. We stay abreast of industry regulations to ensure that your shipments meet all necessary standards.

DIP&PAY SERVICES

Streamline your transactions with our DIP&PAY services, offering a transparent and accurate process for dip inspections and payments. Enhance efficiency and reduce the risk of discrepancies in cargo quantity.

Explore the efficiency and reliability of our Freight Services for Oil and Petroleum Products. Whether you are shipping crude oil, refined products, or specialty chemicals, we have the expertise to ensure the success of your shipments. Contact us today to discuss your specific freight needs and experience a seamless shipping journey with us.
